CALENDAR FOR HONOLULU

The Leap Year Dance

Ales have been invited. Hon. C. L. Dier has not intervened with the Leap Year dance that is to be given by the girls of the Yester Set. The affair will take place on the occasion but the Mano Powell concert seemed more important and as the week's social calendar is filled the date was no doubt Friday left for the dance.

The young men who have been invited insist that the affair shall take place and that it shall be a Leap Year party so that young folks will laugh at 1913.

Nearly a hundred and fifty young men and women have been invited and the function will no doubt be a great success.

The Outrigger club will be prettily decorated for the occasion, by the girls of the decorating committee.

Mrs. A. E. Murphy, Mrs. E. A. Jones, Mrs. John Soper and Mrs. R. W. Anderson have been asked to chaperone the young folks during the evening.

A Girls' Dance. *London, Stephen, I've been thinking. What a nice world this would be. If the boys were all transported Far beyond the Northern Sea."*

So sang one of the younger girls in Oahu College. The song inspired some of her fun loving classmates with a travel idea, and they decided to give a dance and invite no boys. The affair will take place tomorrow night at the home of Miss Ynez Gibson on Alexander street.

Some of the girls have been asked to take the part of boys, they will wear tuxedos and will escort other girls to the dance. Only a few invitations have been issued and as there is an acre limit only a few of the youngest girls of the younger set are invited.

A BURDEN OF INFLUENZA.

An attack of influenza is often followed by a persistent cough which to many proves a great annoyance. Chamberlain's "Cough Remedy" has been extensively used and with good success for the relief and cure of the cough. Many cases have been cured after other well known remedies had failed. For sale by all dealers. Benwell—advertisers.

Plans for New Building.

For a long time it has been whispered here and there that plans are in the way for the erection of a handsome new Young Women's Christian Association building. This is probably true and those who have been connected with the present association are looking forward to the erection of a new building with ever increasing interest.
